Domaine de Gaztelur is located in Arcangues, at Chemin de Gastelur, 64200.

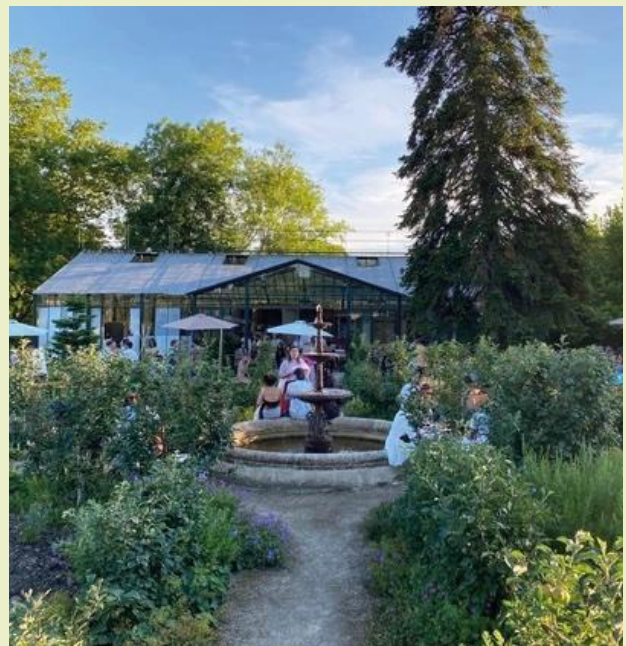

GAZTELUR

A GREEN HAVEN

This former manor house, dating back to 1401, was named Gaztelur, meaning “the house on the water” in Basque. Located in the village of Arcangues, just 5 minutes from Biarritz, the estate underwent an extensive renovation 10 years ago.

Set within 3 hectares of lush parkland, Domaine de Gaztelur is surrounded by green fields and offers breathtaking views of La Rhune mountain. Guests can enjoy the beauty of this unique setting and its peaceful atmosphere, the perfect backdrop for celebrating an unforgettable moment.

GAZTELUR

GAZTELUR

A VENUE FULL OF CHARACTER

The entire house has been designed and decorated by Madrid-based **interior designer Marta De La Rica**. Her work celebrates the original charm of the property and its authentic Basque character.

The refined objects and antiques carefully collected by the owner give each room a unique sense of wonder. A harmonious blend of antique and contemporary furniture, somewhere between baroque elegance and the unexpected, invites guests on a journey between past and present.

Olivier Granet-Sottis, Artistic Director and host of the Domaine, has been orchestrating the life of Gaztelur since the very beginning of the project. He curates the spirit, design, atmosphere and events of this exceptional house with passion, joy and meticulous attention to detail.
